**EVALUATION/GRADING METHODS:** Grades will be based on a combination of two mid-term writing assignments and a final take-home assignment, based on the following allocation: 20% for each of the two drafting exercises; and 60% for final assignment. In addition, since class discussion is important to the learning process, we may also take class participation into account, raising grades for consistent, high-quality participation or lowering grades for chronic lack of preparation or unprofessional conduct. Classroom participation may account for a discretionary, single-increment adjustment either upward or downward (*e.g.*, from B to B+ or from A- to B+).

**LEARNING OUTCOMES:** By the end of the course students should have acquired/be able to:

- Understand a patent license
- Draft a patent license
- Understand the various considerations that relate to licenses such as implied licenses, patent exhaustion, Anti-trust, Misuse, Lear Doctrine, Bankruptcy, Trade-secret, Trademark, Copyright, and Right of Publicity

**CLASSROOM POLICIES:**

- **CLASS ATTENDANCE:**

Attendance will be taken at the beginning of each class. A student may be absent for three classes

and still be in compliance with the attendance policy. Anyone showing up more than 25 minutes late will be marked “absent.” If you are tardy and arrive after attendance has been taken, it will be your responsibility to make sure that we mark you “present.”

- **COMPUTER USE**

Students may use computers or handheld devices for taking notes. Extraneous computer activities, such as surfing the internet or checking email, are strongly discouraged as they can negatively affect your performance.

- **EMAIL**

Students must use their MasonLive email account to receive important University information, including communications related to this class. We will not respond to messages sent from or send messages to a non-Mason email address.

- **CLASS RECORDINGS PROHIBITED:** Pursuant to Academic Regulation 4-2.2, no portion of a class session or an examination may be preserved by means of a recording device such as an audio recording device or camera. Any exceptions to this policy must be expressly permitted in writing by us.
