

# Pre-Registration Meetings - Information & Sign-Up Instructions

Pre-registration meetings are individualized 30-minute meetings (via Zoom) with academic support staff who are prepared to answer your questions on course scheduling, degree progress, externship/clinic opportunities, extracurricular activities, and many other topics. Career counselors will join meetings when a student indicates in the sign-up questions below that they also have career questions.

Appointments are available weekdays from June 8 - June 28, with certain dates and times reserved by class year.

**Step One:** Sign up for an appointment at <https://preregistrationsignup2022.as.me/>. Once you sign-up you will receive an appointment confirmation notice via email. A Zoom link for the meeting will be emailed to you within 24 hours of your scheduled appointment time.

**Step Two:** Prior to your meeting (1) download a current copy of your transcript and (2) print out or pull-up the "Progress Report" applicable to your matriculation year from the CAS Intranet ([sls.gmu.edu/cas/](https://sls.gmu.edu/cas/)). Progress reports are located under the Academic Resources, Academic Planning section. Your academic advisor can review this sheet with you during your meeting.

**Questions?** Contact Christine Malone ([cmalone4@gmu.edu](mailto:cmalone4@gmu.edu)) or Annamaria Nields ([anields@gmu.edu](mailto:anields@gmu.edu)).
