

How to Start a Zoom Class — Room 347

1. **Start** the AV system by selecting **PC/Source** from the **touchscreen**.
2. Locate the **Zoom icon on the desktop** of the computer and log in using the [SSO](#) option.
 - a. Once logged in select the **meetings** tab in the Zoom window to start the meeting.
 - b. Set the **Zoom view to Gallery** to make sure you can see all remote participants.
3. **ADJUST THE CAMERA:**
 - a. On the computer's desktop, select the icon labeled **camera controls**.
 - i. **Select the room 347** then adjust the camera with the presets, arrows or zoom in/out buttons.
4. Adjust room sound (if needed) from the touchscreen.
